CORONA VIRUS (COVID-19) ALERT & PRECAUTION AWARENESS MESSAGE

Under the current situation of catastrophe and devastating consequences caused by the pandemic Corona Virus (COVID-19), its fast, furious and increasing trend that has swallowed thousands of lives of people to death and kept the millions others of being affected by it worldwide, it has become obligatory and bounden for all the people to enforce and adopt all possible and chalked out precautionary measures on and around them to protect themselves and people around them of being infected from this deadly virus. It is to keep in mind and realize that until now there is no cure and treatment of this virus and the only considerate exemplary solution and opinion to avert this danger is **“PRECAUTION”** and again **“PRECAUTION”**. The Government is playing its active and positive role and putting sincere and concerted efforts for sensitizing the masses and its now incumbent upon the people to become part of those efforts by enforcing all the declared and loudly proclaimed precautionary measures.

The situation shall definitely improve, ameliorate and prosper if everybody takes and adopt the following precautionary measures seriously and exclusively those are placed for the sake of the knowledge and prudent safety.

1. Social distancing is the key component under the circumstances and the people to maintain safe distance of at least 6' (six feet) from each other and avoid frequent public interaction.
2. Stay safe and stay home with very restricted outside movement that also in exigency.
3. Frequent and regular washing of hands with soap and rinsing at least for 20 seconds.
4. Use of hand sanitizer and avoid making contacts of hands touching eyes, nose mouth & face.
5. Avoid shaking hands to each other and offer Salam & sentiments as per religious fervor.
6. In case of appearance of declared symptoms of cough, flue, temperature (101.4 C or above), headache/body-ache immediately contact and rush to nearest health facility for test or confinement to the quarantine as the case may be.
7. Cover the mouth with bent elbow when coughing or sneezing to avoid spread of droplets.
8. Use surgical face masks.
9. Maintain surrounding and environment neat and clean.
10. Let's work together to act as a responsible and law abiding citizen and proactively contribute in building the strong and health cautious society and nation.
11. Convey loud and clear message for realizing and sensitizing the people around you to adhere the restrictions of health emergency declared by the government in real spirit.
12. Together we can and we shall defeat the menace of Corona Virus (COVID-19) with observance of all defined and proclaimed precautionary measures.
